

Tyre Inspection Stand

Tyre inspection stands are designed to cradle large earthmover tyres for the purpose of inspection, cleaning, applying tyre additive, etc.

Guidelines for use:

1. Certified Tyre Inspection Stands are mandatory for Klinge & Co Sites.
2. The Tyre Inspection Stand shall have a legible certification plate attached.
3. The Tyre Inspection Stand shall have its rated capacity displayed in large decals.
4. Do not breach the rated capacity of the tyre inspection stand.
5. Locate your tyre inspection stand in a position that is geographically close enough to the work area to encourage its use but not to adversely affect tyre maintenance activity.
6. Locate your tyre inspection stand near your additive pod and water outlet.
7. Do not use your tyre handler to hold a tyre or fitted assembly to conduct inspections, apply tyre additive, clean components etc. Use tyre inspection

stand or lay assembly horizontally on solid ground.

8. Inspect your tyre inspection stand regularly as part of your routine workplace inspection regime.

Actions for all Klinge Sites:

1. Review this Safety Alert with all personnel, with sign-off. Email sign-off form to safety@klinge.com.au
2. Post this Safety Alert on your Safety Notice Board until June 9th 2012.
3. If you have any concerns related to the subject matter contained within this Safety Alert please contact safety@klinge.com.au

Eliminate All Unsafe Acts & Conditions.
